

## Exit Poll abroad

Belarusians from more than twenty countries joined their forces to conduct the poll of voters at the Elections of the President of the Republic of Belarus which took place during the 4-9 of August 2020.

The volunteers approached **14,740** of voters in **23** countries at **27** polling stations.

The polls were conducted in full compliance with the laws and regulations of the countries where the polling stations were organized. The group “Exit Poll abroad” contacted the local authorities and the police as well as the election commissions to ensure that the environment is friendly and safe for the polls and the volunteers.

**14,740** Belarusian citizens

**27** cities

**23** countries of the world

The “Exit Polls” volunteers approached the voters with the question “Who did you vote for?” and registered their answers in one of three accepted forms – individual ballots, polling lists and the online system.

The information registered by the volunteers is comprised of the answer of the interviewee (or a refusal to answer), their gender, age, timestamp and the code of the interviewer.
